All prices herein are list prices effective with the date printed on the cover, and supersede all other published price lists. Prices are subject to change without notice, unless quoted in writing.

Purchase Order Requirements

1. All purchase orders must be faxed, mailed, or e-mailed to us.
2. Contact person, phone, fax numbers and “end user” must be included on all purchase orders.
3. Please specify whether the order is to be made with COM or IOA Fabric.
4. Fabric specifications must include fabric manufacturer, pattern, and color and must be listed on purchase order, EVEN IF IT IS COM FABRIC.
5. If you are providing the fabric for the order (COM fabric), we will need to know the repeat information.
6. If a quotation was provided, please reference this quote # on your purchase order so that we may honor any special pricing you may have been given.

** IF ANY OF THE ABOVE REQUIREMENTS ARE NOT MET, THE PURCHASE ORDER WILL BE LISTED AS INCOMPLETE, AND YOUR ORDER WILL BE PLACED ON A TEMPORARY HOLD PENDING RECEIPT OF REQUIRED INFORMATION.

ORDER ACKNOWLEDGMENT

Once we receive and process the purchase order, you will receive an order acknowledgement which lists the product specifications by which your order will be manufactured. We ask that you carefully review the acknowledgment, sign it and fax back to our office as soon as possible. If any changes need to be made, please let us know immediately. Along with the acknowledgement, you will receive a request for deposit unless terms have been set-up for you.

PAYMENT TERMS

Payment terms are net 30 days from date of invoice for customers with pre-approved credit. Credit terms are established on an order-by-order basis, based on the customer's willingness and ability to meet their payment obligations as they become due. Past due accounts are subject to finance charges of 1.5% per month (18% annually) or the maximum rate allowed by law. Credit terms are subject to change without notice. If you have any questions on your account please contact our credit department. Because our products here at Images of America are custom created to fit each individual customer's needs and specifications, a 50% nonrefundable deposit is required before production can be scheduled, with the remaining balance due before shipment according to our standard terms of payment. It also allows us to keep our prices within the customer budget.

New Accounts: To apply for credit, complete an IOA credit application. Credit terms will be considered from this information.

FREIGHT IS NOT INCLUDED IN PRICING - FOB FACTORY

Prices are intended for FOB Factory even if Prepaid/Add.

Purchase Order Requirements

FABRIC SELECTION

If your order includes a fabric selection being provided by Images of America (IoA Fabric), we must receive your deposit (if required) before ordering fabric. At that time, we will order the fabric and if we are advised of any anticipated delay, we will contact you immediately. If your order includes fabric being provided by you or your customer (COM fabric), we must receive it, as well as the deposit if required, before production will begin.

SHIP DATE / LEAD TIME

Once we receive your COM fabric (if applicable) AND/OR deposit, we will notify you of the estimated ship date and lead time. If you require a lead time of less than the date given by your customer service representative, you must indicate this in writing so that we can schedule an emergency production meeting to determine if a sooner ship date will be possible. Custom items will require a 12-16 week lead time. When your order is nearing completion, we will contact you to request the remaining balance. Upon receipt of the balance, we will ship your order as scheduled.

We welcome any questions you may have and look forward to working together to provide the best experience possible with the team at Images of America, Inc.

PLEASE REMEMBER TO ALWAYS INDICATE ON YOUR PURCHASE ORDER EXACTLY WHAT YOU ARE EXPECTING TO RECEIVE.

Include fabric and wood finishes, urethane, acrovyn selections, any special customizations, split fabric locations (which fabric goes on which part of the chair), optional accessories, and any special delivery requirements.

Specifying COM Upholstery with Repeats: (Customers Own Material)

The yardage requirements shown in the fabric price list are based on non-directional 54" wide material applied railroaded. The following conversion chart should be used to calculate the yardage required when the COM used is less than 54" wide and/or has a repeat of 2" or more.

Width	54"	50"	48"	45"	36"
0"-2"	0%	10%	15%	40%	60%
2"-7"	12%	20%	27%	52%	72%
7"-13"	20%	30%	35%	60%	80%
13"-21"	22%	32%	37%	62%	82%
21"-27"	25%	35%	40%	65%	85%
72"-36"	28%	40%	55%	75%	95%

As standard procedure, IOA Healthcare cuts and reserves the right to cut fabric as railroaded, or apply the fabric according to the weave unless the purchase order specifies otherwise. Fabrics are railroaded when possible on larger items. It is best to send a cutting to the factory for quotation if there is a question or when an order requires 50 yards or more of fabric.

Orders specifying COM are not scheduled for production until all material is received, inspected and approved by our cutting department.

How to ship COM

All COM must be shipped prepaid, and the supplier of the material must have properly marked the package with the yardage included, your company name and purchase order number. IOA Healthcare is not responsible for the failure of any COM and acceptance does not imply any liability whatsoever. We inspect for flaws and mill imperfections and as some are difficult to recognize, we are not responsible for defects color or dye variations. ****You may send a cutting or memo sample for approval before placing your order to be sure that any particular material may be approved for use on our products.**

COM should be sent to:
